

STATEMENT CONCERNING LEGAL REPRESENTATION

I understand that Adoption Team Hawaii, Inc. represents the adoptive parent(s). I understand that Adoption Team Hawaii, Inc., including any attorney that works with them, does not represent me. If I want my own attorney, I know I may obtain one. I am also informed that if I cannot afford to pay for my own attorney, that once I have been matched with adoptive parent(s) for my child, the adoptive parent(s) will pay up to \$500 of my legal fees. I also understand that if I do not want an attorney to represent me I am not required to have one. **I hereby waive representation by an attorney in this proceeding.** I understand that I may change my mind and have my own independent legal representation at any time.
